

Negotiation

Negotiation is a basic means of getting what you want from others. It's a back and forth communication designed to reach an agreement when you and the other side have some interests that are shared and others that are opposed.

This course covers the basics of what constitutes a negotiation, the key stages of a negotiation, skills you can apply to your negotiations and some practical advice so you can bring all of this together and become a more effective negotiator.

Course	Module Number	Module Name	Pass % Required
